Summary

Greetings

I'm name is ABANGMA ARRAH JESUS MCLOUIS.

I am a computer engineering student at the Faculty of Engineering and Technology, University of Buea Cameroon.

I am glad you took out time to visit my profile.

I'm also an aspiring Frontend developer, ui/ux designer, fitness trainer, artist manager, videographer, volleyball coach/player.

Currently working on gaining more skills

Especially those which are tech inclined to help me in my field and I wish to achieve academic excellence and also be very successful at the services I render.

Thank you.
